Dear Mr. Seiji KOJIMA Ambassador:

On behalf of the Information and Communication Technology for All Club, we are deeply saddened by the impact of the powerful earthquake and tsunami, which hit Japan on Friday, (March 11, 2011), has destroyed many towns including Ofunato, Iwate Prefecture, in the north-east of the country, and the affect it has had on the people of the region. Please extend our heartfelt condolences to those who have experienced losses, as well as to their loved ones, who have endured unexpected hardship.

We do hope your country will be recovered from this tragic natural disaster as soon as possible and please know Japanese people are not alone during these difficult days.

Our thoughts are with you.

Yours sincerely,
