Dear Madame Ambassador:

On behalf of the Information and Communication Technology for All Club, we would like to express our profound sadness and concern regarding the powerful hurricane, Sandy, that hit the United States and the effect it has had on the American people and the country's infrastructure. Please extend our heartfelt sympathy and condolences to those who have experienced the loss of loved ones and those who have endured this unexpected hardship.

We do hope your country will be recovered from this tragic natural disaster as soon as possible and please know American people are not alone during these difficult days.

Our thoughts are with you.

Yours sincerely,

Thossaphol NORATUS  
President, ICT for All Club
